Zonal Crisis Grows

Russians Keep Armed Troops Concentrated In Explosive Sector

BERLIN—(AP)—Russian officers told American officials Saturday night they would keep armed Soviet troops concentrated in uneasy central Berlin as long as the United States keeps its military police there.

The Russians made the statement during a 10-minute street conference on the civil war between Berlin's rival police forces.

Russian soldiers kidnaped four more western sector German policemen earlier Saturday, two with violence.

The conference took place just off Potsdamer Platz, the huge international crossroads which now resembles an armed camp.

British Erect Barbed Wire.

The British have erected barbed wire along their sector boundary. Russians, British and Americans have reinforced their patrols.

A Russian jeep with two senior lieutenants rolled up to where the U. S. Deputy Provost Marshal Lt Col. E. R. Kelly was standing, and behind them was a jeep loaded with Russian tommygunners.

The Russians began by asking "for co-operation between Soviet and western controlled police to clear out German crowds gathering along the sidewalks of the American sector," Kelly told reporters.

Kelly said he responded:

"No. If there is any action to be taken it will be done by the Americans without Soviet assistance. As long as they commit no offenses, we will take no action."

Germans Curious.

Kelly told reporters the Germans were mainly curious and that an effort was being made to thin out large gatherings.

The Russians Friday seized five policemen from the American zone. Two of them have escaped. The Americans have asked return of the others but received no reply. Thus, of the nine policemen taken, the Russians still hold six.

Western sector police ordered motorized reserves to stand by, ready to speed to the boundaries at a sign of trouble.

The Americans said there is a growing danger the clashes may grow into serious international incidents. The Soviet-backed police chief, Paul Markgraf, already has made it clear he will recognize no sector boundaries in Berlin.

The British announced they are strengthening their military police and German police at Potsdamer Platz, where the eastern and western sectors meet, because of violent disturbances during the week. There, Saturday morning, three German press photographers were reported arrested by the Russians.

GOVERNOR INSPECTS AIR UNITS

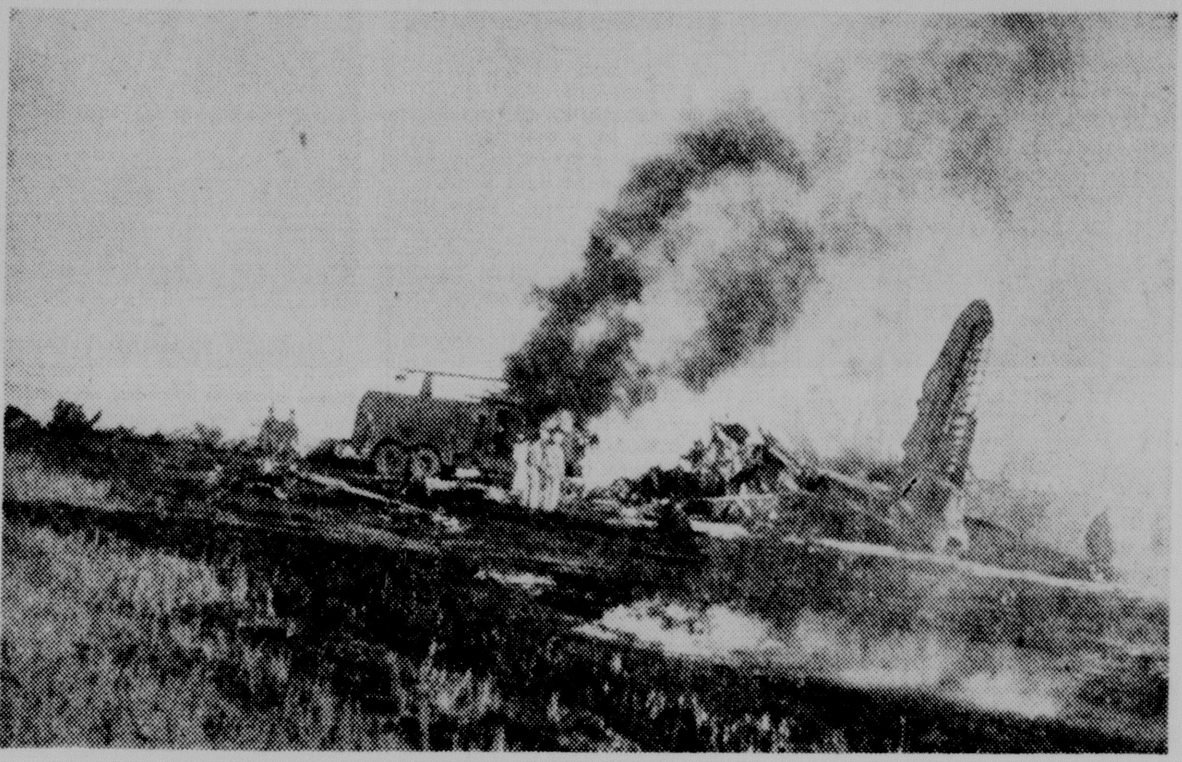
The personnel of the four National Guard air units in summer training at the Lincoln air base stood inspection and passed in review for Gov. Val Peterson Saturday afternoon.

Also in the reviewing stand were Brig. Gen. Guy N. Henninger, state adjutant general; Lt. Col. John M Campbell, senior officer of the guard units, and Capt. Irvin R. Roswell, adjutant.

Gov. Peterson briefly addressed the guardsmen.

Jet fighters and F-51s engaged in aerial maneuvers which were completed by 3 p. m. to avoid interference with commercial aircraft expected to arrive.

During the afternoon an estimated 1,000 persons inspected stripped F-80 jet fighters and other equipment displayed in the main hangar.



WHERE 17 DIED—All 17 men aboard the B-29 shown above died when the big plane crashed while taking off from the Rapid City, S. D., air force base Friday. 17 Die As Superfort Cracks Up

B-29 Crashes Near Rapid City, S. D.

RAPID CITY, S. D. — (AP)—Seventeen men died late Friday when a B-29 crashed and burned a few seconds after taking off from a 15th air force base near here.

At the Smoky Hill air force base, Salina, Kas., Lt. R. W. Bryant, public relations officer, identified the following victims of the crash:

Lt. C. M. Thorp, Lt. R. K. McClurg, Tech. Sgt. R. L. Mason, S/Sgt. P. J. Cubilla, all residing at Salina, and Sgt. C. K. Lisenbec, Seattle, Wash.; Tech Sgt. L. S. Moore, Happy, Tex.; and Sgt. C. N. Mariolis, Irvington, N. J.

Bryant said all seven were passengers of the plane.

Crew Members.

Listed from the Rapid City base were:

Lt William L. Richards, Rocky River, Ohio, pilot.
Lt. Paul O. Heggem, Camp Crook, S. D., co-pilot.
M/Sgt. Edward N. Fewell, Wichita, Kas
T/Sgt. Louriston A. Sager, Los Angeles
T/Sgt. Joseph A. Sisco, Etowah, Ark
Sgt. Lester H. Brown, Columbus, O.
M/Sgt. Edward M. Lemons, Gainsville, Tex.
Sgt. Brendan J. Wynne, St. Paul.
Cpl. Horace D. Hopper, Big Spring, Tex
Pfc. James D. Sumrall, Sumrall, Miss.

A board of officers was to open an investigation Saturday in an attempt to determine cause of the crack-up, the first fatal crash since the strategic bomber base was reactivated in April, 1947.

Engine Catches Fire.

Capt. Thomas Siegler, base public relations officer, said the bomber had just cleared the field when one of the left engines caught fire. The engine was stopped and the plane, short of crucial take-off power, banked to the left and nosed into a wheat field a short distance from the end of the runway.

Mrs. Lawrence Tietz in whose field the plane came down, said she saw an engine drop shortly before the ship plunged. A deafening roar followed, she said.

Officers and men of the base, occupied by the 28th bomb wing, worked into the night attempting to identify the burned bodies, many charred nearly beyond recognition.

N. U. Party Will Excavate World's Largest Meteorite

To Share Huge Fragment With University Of New Mexico; 'Great Scientific Value'

The world's largest known meteorite recently discovered 15 miles southwest of Beaver City, Neb., will be excavated by a University of Nebraska field party, which left Lincoln Saturday morning.

According to Dr. E. F. Schramm, chairman of the geology department at the university, the achondritic meteorite is 43 inches long and 18 inches wide. He estimates it will weigh approximately 600 pounds. More than 200 pounds in tiny fragments have already been recovered, he said.

The meteorite is buried eight feet in the earth's surface. A crater five feet deep and six feet in diameter was formed by its fall. The surface rim of the crater is less than one foot high, Dr. Schramm reported.

Following its excavation, the meteorite will be shipped to the University of New Mexico where it will be polished and divided into different sizes. It will then be shared by the Universities of Nebraska and New Mexico.

Dr. Schramm explained the University of New Mexico, with its institute of meteoritics, specializes in that field. Facilities at Nebraska university are not adequate to process a meteorite of its size, he added.

Found During Harvest.

The meteorite plowed into a wheat field when it fell to earth February 18. It was only recently found when the tenant on the farm, Arthur Hahn, nearly drove his combine into the crater while harvesting his wheat July 1.

The nearest building to the site of its fall was a deserted farm house a quarter-mile away. The meteorite in falling came from the south.

Its fall alarmed the people in the nearby Norton, Kas., vicinity, but subsequent searches for the crater proved futile. A 100 pound fragment known as the McKinley meteorite was recovered by University of New Mexico field parties in northern Kansas last April.

According to Dr. Lincoln La Paz of the University of New Mexico, who has been investigating the fragment, the two meteorites are very similar and he believes they separated in flight and fell at the same time.

Purchased Meteorite.

An Associated Press dispatch discloses that the Universities of New Mexico and Nebraska purchased the meteorite found on the Nebraska farm. However, the purchase price was not revealed. The universities obtained the specimen in spirited bidding Friday. Dr. H. H. Nininger, director of the American Meteorite museum, Winslow, Ariz., was the opposing bidder.

Dr. Schramm stated the two meteorites are of great scientific

ITU Bolsters Defenses For Strike Actions

MILWAUKEE — (AP) — The door hung wide open Saturday for International Typographical union officers to establish "enterprises" in cities where ITU strikes are in progress or "threatened."

Delegates to the 90th annual convention of the big AFL printers union Friday authorized the executive council to spend the defense fund raised by a 5 per cent levy on members' wages "in any way deemed to be defensive in character."

Specifically, the membership by resolution told the big brass to go ahead and set up competing newspapers or "encourage their establishment to compete with or replace any establishment where a strike or lockout is x x x in progress or is threatened," if such action is deemed necessary.

Two resolutions ordering outright union backing of newspapers in strike-bound cities were withdrawn in favor of the broadened defense fund measure which leaves the decision up to the officers.

Today's Chuckle

A chorus girl was telling the other girl about her birthday party. "You should have seen the cake! It was marvelous! There were 17 candles on it." There was a silence among the girls. Then one replied: "Seventeen candles? What did you do—burn them at both ends?"

Sound Truck Seized By Omaha Cops

Lincoln's Law Will Not Get Test Tonight

A test of the validity of Lincoln's "anti-sound truck" ordinance will not be run Saturday evening due to confiscation of the Progressive party's sound truck by Omaha police Saturday morning.

Edward Sloan, head of the party backing Wallace for president, said leaflet distributors will be on Lincoln's streets shortly after 6 p. m. Saturday, however.

He also warned that the sound truck would be sent to Lincoln as soon as released from the custody of the Omaha police. He said he expected its release during the early part of next week.

Three Arrested.

Three people were also booked by Omaha police following their attempt to use the truck.

The affair was enlivened by a breakdown of the sound truck on the way to central police station and shouts of the arrested trio that "We want to see our attorneys before we're booked.

Booked were John E. Hester, 16, Mrs. Florence Coppock, 27, and a woman following the sound truck who refused to give her name. She was booked as "Mary Doe."

Force Used.

Police said young Hester refused to show his drivers' license at headquarters and it had to be taken from him by force.

Mrs. Coppock is the wife of Russell Coppock, former Pacific Junction, Ia., high school coach, who was involved in a civil rights dispute last year.

Hester and Mrs. Coppock were booked for violation of Omaha's anti-noise ordinance and the woman booked as Mary Doe was booked for failure to have a driver's license.

Placed in the bull pen while waiting for their attorneys, the three Wallace supporters broke into song:

"Good old Henry Wallace x x x
We want Henry Wallace x x x."

'Axis Sally' Is Arrested Upon U. S. Arrival

WASHINGTON —(AP)— Mildred Elizabeth Gillars—known to G.I.s as "Axis Sally" — returned to her homeland from Germany Saturday to face a treason warrant. She looked tired and dispirited.

A trans-Atlantic army C-54 plane rolled down on Bolling air force field where the silver-haired woman was taken into custody by federal marshals. It was her first return in 19 years.

NEBRASKAN IS HURT IN CRASH OF GUARD PLANE

. . . Near Rapid City

Lt. Robert F. Kretchmer, pilot of the National Guard fighter squadron stationed at Lincoln, suffered undetermined injuries when he crash-landed his single-engined P-51 fighter plane four miles south of New Underwood, S. D. Saturday.

Lincoln air guard authorities who released the pilot's name, said he was the son of Frank Kretchmer, Omaha.

While splints were being made for his broken leg as he lay in an army ambulance brought from Rapid City air force base, interns said he was not thought to have been critically injured.

New Underwood is a small town some 20 miles east of Rapid City.

The pilot was pinned in the mangled cockpit of his ship for nearly an hour while army personnel rushed to the scene to extricate a leg which was caught between the control stick and the side of the cockpit.

He was conscious the entire time, although in a dazed condition.

The pilot, assigned to the 132nd air unit which went to Rapid City this week from Iowa, Nebraska and Missouri for gunnery maneuvers, evidently ran into engine trouble as he and two companion planes were returning to the air base.

GOP STATE CAMPAIGN IS READIED

Republican Leaders Reject Proposal For Wherry-Terry Debate

Confident of a sweeping state victory, Nebraska republican leaders cleared their decks for action in the fall campaign at a meeting in Lincoln Saturday.

They rejected, with the label "publicity stunt," the democratic state central committee's proposal that Sen. Kenneth S. Wherry, republican, debate the "issues of the day" with the democratic candidate, Terry Carpenter, of Scottsbluff.

"Terry is out on the end of a limb, struggling to get some new avenues of publicity," Lt. Gov. Robert Crosby declared as the leaders debated the proposal. He was joined by other GOP leaders who pointed out that there are no real issues that the two could debate. Both Wherry and Terry are not in accord with the president's program, Crosby added.

Proposal Tabled.

Those arguments were enough for the more than 75 republicans attending the meeting at the Cornhusker hotel. They voted to table the proposal.

Turning to the congressional races, the republicans saw strong opposition only in the second district. There Rep. Howard Buffett, GOP candidate, said he will be under the heavy fire from the AFL and the CIO political action committee.

"I will have a very tough race," Buffett told a Star reporter. "The democrats plan to spend a lot of money in my district," he added.

On the meeting floor, twice the name of Eugene O'Sullivan, the democratic candidate for Buffett's seat, was mentioned.

All-Out Effort.

"O'Sullivan is no push over," one republican leader remarked. While a second voiced, "The Buffet-O'Sullivan election contest will be one of the closest in years."

A. V. Shotwell, national committeeman, reported in an interview "we have a real fight on our hands in Omaha."

In presenting a preview of the campaign to be staged in Nebraska, GOP leaders indicated they will make an all-out effort.

Caravan Planned.

There will be a campaign caravan, probably beginning near the end of September, 6,000 Dewey-Warren buttons, a state fair booth, newspaper and radio advertisements, and a lot of house to house work.

It was A. T. "Bert" Howard, GOP Midwest campaign manager, who issued the warning. He reported "the most tragic thing that could happen would be to elect a Dewey-Warren ticket and lose the senate and the house to the democrats."

To raise the state's GOP campaign budget of $200,000, Joseph Wishart, acting state chairman reported that 20 republicans had been named over the state to aid in the drive. They will work with county leaders, he said.

2 Lincoln Boys To Be Quizzed In Auto Theft

. . . And Local Burglaries

Two Lincoln boys arrested near Brainard Friday night will be returned to Lincoln Saturday afternoon for questioning on a car theft.

They will also undergo routine questioning on burglary of three Lincoln businesses within the past three days, police added.

The youths were arrested by state troopers after they abandoned the car and were hitchhiking. The officers took them to the David City jail.

Police said the youths were driving a car stolen from a parking place near the Sharp building Friday night. It belongs to Perry Douthit, 1509 South Twenty-third, according to police.

Two Others Wreck.

Two other cars stolen Friday night were towed in by police early Saturday morning after they were involved in an accident between Fourteenth and Fifteenth on Vine. Officer Robert Rice reported that he witnessed the accident and that both drivers left the scene of the accident and escaped.

One of the cars was stolen from the home of Ray Young, 145 North Twenty-third after 12:30 a. m. The other, owner still unknown, was badly damaged when it hit a telephone police, Rice said.

Fourth Not Found.

A fourth car stolen Friday night from a used-car lot has not yet been located.

Police were still seeking clues in the burglary of $1,000 to $1,500 worth of merchandise from Karnes grocery and general store, 6224 Havelock, Wednesday night; the burglary of $167 worth of merchandise from the Allen Drug store, 1400 South Thursday night; and the burglary of a $65 check protector from the Eaton and Eaton construction office, 501 J, last night.

POLITICAL DISCUSSION—Joseph Wishart, acting chairman of the GOP state central committee, discusses politics with Mrs. Willalle Spetts, secretary in state republican headquarters, and Mrs. Arthur Bowring, Merriman, state vice-chairman. Wishart, addressing the gathering of party leaders, stressed the party's need for generous contributions.

STATE GOP LEADERS CONFER—Harold D. Lemor, Omaha, Harry S. Bryne, Omaha, and Rep. Karl Stefan, Norfolk, talk over the coming election as republican party leaders met in Lincoln to map out campaign plans.

New Hay Fever Drug Over Ninety Per Cent Effective

CHICAGO—(AP)—A new drug has been more than 90 per cent effective in treating 142 cases of hay fever and other allergic conditions, an Illinois physician reported Saturday.

The best showing was obtained against hay fever, with "good results" reported in 66 of the 68 hay fever patients treated.

The drug is thephorin, one of the antihistamine group. Dr. John Peters of suburban Oak Park reported on its use in an article in the Illinois Medical Journal, official publication of the Illinois State Medical society.

His findings:

The drug was effective in controlling symptoms of 91 per cent of patients suffering from both hay fever and asthma. There were three failures in a group of 34 such cases.

In 16 cases of asthma, the drug was effective in 75 per cent of the patients. All of the failures were in patients suffering from bronchial asthma. The drug was 100 per cent effective in pollen and grass asthma.

Dr. Peters said thephorin appears to be the least toxic of the antihistaminics. Only 15 of the 142 patients treated suffered such undesirable reactions such as gastric disturbances, insomnia, nervousness and sweating.

Allergic reaction such as hay fever are caused by the release within the normal bod cells of the chemical histamine The antihistamine drugs combat this chemical. Research workers have developed several antihistamine drugs in their search for one that would not produce undesirable reactions.

Atomic Bomb Helps Understanding Of God's Power---Knox

"The atomic bomb has helped us understand that the whole universe is the power of God made visible," Phillip L. Knox, astronomer-evangelist, said Saturday.

Speaking at a meeting of the Nebraska conference of Seventh-day Adventists, Knox said, "There is an unnameable wisdom that pervades the universe of God just as there is an unlimited power."

"The complicated movements of the heavenly bodies are illustrated by the moon which continually travels in seven different directions at seven different speeds," he declared.

Konx will speak at 8 p. m. Saturday in the Union College auditorium on the subject, "Modern Astronomers See a Life-Filled Universe."

Cash Corn Prices Skid

. . . 6c TO 13c DIP IN CHICAGO

CHICAGO — (AP) — Cash corn prices broke 6 to 13 cents a bushel here Saturday. It was the third straight day of sharply lower quotations for corn. Grain men said demand for corn was slackening in view of splendid new crop prospects.

The best grade of yellow corn brought $1.81 to $1.82 a bushel. Friday the same grade sold in a $1.88 to $1.95 range. On Wednesday, before the current downturn started, the same kind of corn was bringing $2.03 to $2.07 a bushel.

Vandals Ransack Eatons' Office

Intruders broke into the Eaton and Eaton Plaster Contractors building, 501 J, Friday night or Saturday morning, ransacked the checks protector, according to police.

The burglars failed to get into the file cabinets where a strongbox with money was locked. Entrance was gained, police said, by forcing open the back door.

Police Chief Joe Carroll said a warning would go out Monday in a state-wide bulletin to law enforcement officers to be on the lookout for checks written with the check protector.

LOMAKIN PASSAGE BACK TO RUSSIA ARRANGED

Refugee Teacher Is Better

Two Doctors Named By Consul To Examine Mrs. Kasenkina Are Rebuffed

NEW YORK —(AP)— Soviet Consul General Jacob M. Lomakin, whom the state department has expelled, has booked passage aboard the Swedish-American liner Stockholm, sailing next Saturday.

The steamship line said that Lomakin had made reservations for himself and his wife and two children. It said it could not disclosê when the discredited envoy had booked his passage.

A line spokesman said, however:

"We have no record of the booking here. It was done in Europe. The Stockholm plies between New York and Gothenburg. Lomakin's return to Moscow presumably will be made via Finland.

Doctors Turned Back.

The Stockholm plies between New York and Gothenburg, Sweden.

Lomakin was not available for comment on his scheduled departure.

However, Soviet Vice Consul Zot 1. Chepurnykh said he knew "a couple of months ago" that Lomakin planned a trip back to the Soviet Union, although he had not known the date.

Meanwhile, Lomakin met with a new rebuff in his efforts to bring Russian-picked doctors into the case of Mrs. Oksana Kasenkina, central figure in the diplomatic dispute which touched off the United States' stern demand for his recall.

They Are Not Surgeons.

Roosevelt hospital officials Friday refused Lomakin's request that two doctors he had named be allowed to examine the Russian teacher, critically injured when she leaped from a fourth-floor consulate window.

The hospital said the doctors were not surgeons, and therefore not acceptable to enter the case. When informed of this by telephone, Lomakin was quoted as replying:

"If you do not let our two doctors examine Mrs. Kasenkina we will hold the hospital authorities responsible for the result."

Dr. Grant Pennoyer, hospital resident physician, said Mrs. Kasenkina, who suffered multiple fractures and internal injuries in her plunge, is "improving right along."

FRESH BLAST FROM MOSCOW EXPECTED

WASHINGTON — (AP) — The state department waited Saturday for Russian officials to pick up the out-bound ticket it has ordered for Soviet Consul General Jacob Lomakin.

Faced with formal U. S. charges that Lomakin "abused" his official position by his role in the Kasenkina case, the Soviets have no choice but to remove him from his New York post.

But they may accompany the action with a fresh blast against

Polio Fatal To Second In Omaha Family

Van House Dies 10 Days After Son

COUNCIL BLUFFS, Ia. — (AP)—Two new cases of infantile paralysis were reported at Mercy hospital in Council Bluffs Saturday and across the Missouri river in Omaha the third death from the malady this year was recorded late Friday.

Donald Van House, 32, Omaha, died at Douglas County hospital in Omaha, just 10 days after polio caused the death of his three-year-old son, Teddy. Mrs. Van House survives.

Five new polio patients were admitted to Douglas County hospital Friday night — four from Omaha and one from Orchard, Neb. This brought the number of persons in the hospital's polio ward to 38. At Children's Memorial hospital there are 19 others.

Union Refusal To Work With Convicts Forces New Bids On Pen Laundry

Refusal of union members to work with penitentiary inmates on the proposed new central laundry building at the state penitentiary has necessitated a call for bids on the constructiron contract, W. H. Diers, board of control chairman, said Saturday.

The contract was originally let to the Abel Construction company, Lincoln, which submitted a low bid of $120,851 at the Aug. 3 lettings. However, a provision in the contract provided that all common labor would be done by penitentiary inmates, saving the state an estimated $10,000.

According to Nebraska statutes, inmate labor must be used in state construction whenever practical. However, when union leaders notified the contractor their members would not work on the project under such an arrangement, new bids had to be sought, Diers explained.

Had the inmates been used for all common labor involved in the construction, they would have received 25 cents a day.

Electrical and plumbing and heating contracts were not affected, since they involve only skilled labor, Diers said.

New bids on the general construction will be opened Sept. 2.

A RUSSIAN ABROAD

It was the fag end of August dog days in all but the world of news. The American midwest, which had been enjoying one of its better summers, mopped its brow with Old Sol back on the job, while hell was popping on the international horizon.

★

It was hotter in the capitals of Washington and Moscow as the developments following the jump from a window in the Russian embassy by a Russian school teacher, Mrs. Oksana Kasenkina, moved rapidly toward a boiling point. In a strong, sharply-worded note of protest, the American state department requested Moscow immediately take steps to recall Soviet consul general Jacob M. Lomakin for gross misconduct. Them's harsh words, rarely employed in diplomatic usage.

★

But steadily the feeling has been mounting ever since Mrs. Kasenkina, and another Russian school teacher, Mikhail Samarin, became the prize in a tug-of-war between the two great powers. Both Russian teachers wanted to remain in the United States, both vigorously sought to evade their return to Russia, and for once it appeared that the unsmiling Soviet foreign minister, Molotov, not only had made himself most obnoxious, but in his temper he had cast aside all restraint in diplomatic practice.

★

The full seriousness of developments best is revealed by the fact that since Russian recognition in 1933, this is the first time the United States has felt called upon to ask the Soviet government to take back one of its diplomats. The state department did not mince any words in the note it handed to Ambassador Alexander Panyushkin. "The government of the United States cannot permit the exercise within the United States of the police power of any foreign government," Moscow was sternly reminded. Lomakin himself was charged with lying deliberately to mislead the American public. And to top it off the note charged that investigation of the Kasenkina case indicated that "officials of the Soviet government have been engaged in conduct which is highly improper." And that is that. The Russians asked for it. The Kremlin did not need to think back longer than six months to recall that two members of the embassy staff of the United States in Moscow had quit their jobs, and were living in Russia. There was no demand by this country for their return. It was apparent that among many matters of difference, the Kasenkina incident may be the one episode calling for a showdown. Moscow's immediate reaction could only be measured by the furious barrage laid down by its newspapers.

★

That barrage itself was crude, amateurish. Pravda renewed charges that even a 10-year-old schoolboy in this country wouldn't swallow. It claimed that the American ambassador to Moscow, Walter Bedell Smith, had admitted that an American naval attache had been caught in possession of Soviet military information. The state department itself had said in Washington that a naval attache, now back in this country, had been the victim of a Russian "plant" drummed up to make Lt. Robert Dreher, formerly attached to the American staff in Moscow, appear guilty.

★

While that highlighted the week's cold war between Russia and the United States, it was by no means all. The Russian blockade of Berlin entered its third month, and in a practical sense with no diminishment of the steady pressure the Soviets have applied. The United States, Britain and France have imposed a condition that the Berlin blockade be lifted before they consent to discuss general German problems. Russia wasn't doing so well in attempting to win friends in western Germany among the German people. The food "bribe" Moscow dangled in front of the eyes of more than two million Germans frittered out, and Russia was compelled to admit serious food shortages in her own occupied zone. That failing, the Russians are now offering more tempting bait, coal, at a time when the first chill autumn winds remind the German people of their sufferings from cold.

★

Only a magnificent job of spectacular character has circumvented the Russian food squeeze. It is costing Uncle Sam approximately $200,000 a day, about 10 times more than would be the cost if Russia lifted the rail blockade. But the Russians also are paying through the nose. It has cost Russian shipments from the western allies, and even more important a rising anti-Soviet hostility among the peoples of the non-communist world.

★

With congress continuing its sideshow, a "Red" hunt, Russian affairs for another week blotted out many other far-reaching developments in the world. China at last in the grip of an uncurbed inflation had decided to do something about it. There was an announcement that a traditionally "silver country" was going on the gold standard. Chinese prices continued to soar to fabulous heights. Here at home American financiers scoffed at Chiang Kai-shek's protestations that the Chinese treasury had adequate bullion and other assets to back its new note issue. It was said the Chiang Kai-shek government had tossed state-owned enterprises into the reserve pool at ridiculously exaggerated values to back up its gold notes.

★

Cynical little old New York took time out to pay final respects to an American sports idol. Thousands crowded into the church where the services for Babe Ruth were held; and many thousands more lined the streets.

★

First steps calculated to take a punch at the jaw of the high costs of living came at week's-end. It was under the provisions of the recently passed legislation at the special congressional session to tighten up on credit. The controls were clamped on borrowing between the $50 and $5,000 levels. Under a new federal reserve board ruling purchasers of automobiles must plunk down one-third of the purchase price in cash. An impressive array of household appliances calls for a down payment of 20 per cent. A time limit of 15 months was established for completing all "easy payment" plans where the sum involved is under $1,000, and 18 months where the purchases are in excess of $1,000. Charge accounts were not affected.

★

It seemed to be the case of locking the barn after the horse had been stolen. Only 24 hours earlier a federal reserve board's statement said that one out of every four Americans had spent more than they made during 1947. They not only had run out of money but were going in debt.

★

The chief destroyers of price controls were finding the going getting tougher. While they were haranguing about free enterprise, and that prices given a few months would come down of their own free will in the normal run of things, the people who bit on that bait were turning against them. For the first time a decisive majority expressed themselves in favor of price controls. It cut the ground out from under Bob Taft and Senator Ken Wherry. The disclosure that a fourth of the American people found it impossible to live within their wage range in 1947 was a little more disturbing. They may have been living too high; it may have been a case of attempting to maintain too high a standard, but in the main the people most affected were the white-collar classes and those on fixed incomes. The business of going into debt in order to buy the necessities of living was disturbing.

★

Something different was the solution of the ball of fire which had midwesterners wide-eyed last winter. Near Norton, Kas., a meteorite nearly nine feet in circumference was discovered near the Nebraska-Kansas line. It was a mass of rock, but in its better day it lit up the skies. The meteorite had buried itself in the earth to a depth of 8 feet.

★

Rehearsals were on for the big show starting in the early fall. In Chicago representatives of the two major parties were gathered to talk over plans for the presidential campaign. The republicans could see nothing to it but a clean sweep, but either through stubbornness or a belief that their old rivals were over-confident, the democrats were not conceding a thing. In Washington Mr. Truman continued to hammer away at congress and if the cries of pain which went up are any indication, he had drawn blood. Governor Dewey announced that he would discuss American foreign policy. Strangely it was the two nominees for the vice-presidency Governor Warren and Senator Barkley, who were doing the actual shooting. Both had an inning at the Illinois state fair. But soaring temperatures, a sizzling race in both major baseball leagues, and other distractions couldn't entirely blot out the fact another collegiate football season was just around the corner.

Friedman Drops From Race For 4th District Judge

J. J. Friedman, Omaha, notified Secretary of State Frank Marsh Saturday of his withdrawal as a candidate for district judge in the fourth judicial district.

He said, "Due to the pressure of the duties of my law practice and other business interests and because I find it necessary to make an active and expensive campaign in order to be elected, I have withdrawn my name as a candidate."

Friedman's withdrawal leaves 14 candidates in the race, from which seven will be elected judges in the fourth district.

Omahan Is Appointed To Real Estate Commission

Governor Val Peterson Saturday announced the appointment of Wayne C. Selby, Omaha, to the Nebraska real estate commission.

Selby's term is for four years becoming effective Aug. 28.

JUST FOLKS

BEYOND TOMORROW

Shoud tomorrow fail to see
 Something better than we know,
It could then be said that we
 Have grown old and ceased to grow.
We have reached the end at last
And are living with the past.

If the future doesn't hold
 Still some goals for men to gain,
Then as people we are old,
 Worn and weary of the strain,
With adventure's hazards done,
Resting in the setting sun.

All we haven't learned as yet,
 All rewards for enterprise,
All the comforts still to get,
 All that human skill defies,
Just beyond tomorrow stay,
Waiting one to find the way.

A MAN IN THE HOUSE

By Florence Stuart

Chapter 30

Jane woke the next morning to snow still falling from a gray sky, to an earth blanketed still and deep in white, and to find herself burning up with fever. It was a moment before she opened her eyes to the bed next to hers and to the realization that Carl would not be sleeping in it again. I sent him away, she thought bleakly. I deliberately killed his love by acting the fool, and then I sent him away.

The tears came, spilling hotly down her cheeks.

It was Christmas morning, but she did not remember that at first and when she did it did not seem to matter. The telephone rang and her heart jumped. Maybe it was Carl calling. But it was only Aunt Mae who said, in her brisk voice: "Merry Christmas, Jane dear. Now what's all this nonsense about you and Carl? He phoned me about an hour ago. Talked some nonsense about you and him separating. Said he was taking an afternoon train for some place out west where he's been offered another job. It seems he's been offered Dr. Ross' place, definitely, but he's turning it down. He wanted me to tell you he'd write you later what to do with his books and papers. The man sounded absolutely demented. Well, Jane, why don't you say something?"

"I can't," Jane gasped. "Aunt Mae, I think you'd better come right over, if you can get here through the snow. I think I'm going to be ill. I feel so—so dizzy."

Pneumonia, the doctor said cheerfully. Well, nothing to worry about. They made short order of pneumonia these days, what with all these new drugs. Four, fiive days, and the worst of it should be over. Meanwhile, however, no visitors. No emotional excitement. No one would be allowed in her room except Aunt Mae, and the night nurse, if they could get a night nurse. Which they couldn't.

Well, the doctor was right. The worst was over in four or five days. But after that, instead of picking up strength rapidly as she should have, Jane remained listless, indifferent to everything that was going on around her. She didn't feel like getting out of bed, she said. And she wouldn't even try.

Aunt Mae sat down beside Jane's bed. "You're eating your heart out over that husband of yours, aren't you? That's why you don't get better. Why did you send him away from you to start with? Didn't you have sense enough to know—"

Jane said: "Look, Aunt Mae, I don't feel strong enough to be lectured."

"Well, you're going to get a lecture, whether you feel strong enough or not. You love that fellow and he loves you. It's never too late to do the sensible thing." Aunt Mae said cheerfully: "Jane, you should have had more sense than to pay any attention to my talk. You know perfectly well I'm just a gossipy old woman. Old maids get that way. They go about attending to other people's affairs because they haven't any affairs of their own. He loves you, plenty."

"How can you say that?" Jane asked dully. "He could have made some effort to see me, talk things over. He could have stayed around long enough to find out I was going to be critically ill."

"He didn't go away on a train," Aunt Mae said shortly. "And he knew you were ill. Oh, yes, he knows about that."

"That makes it all the worse," Jane said bleakly. "He knows, and he's never come near me. He hasn't sent me a flower. He hasn't even phoned or you would have told me about it. And you've been very careful not to mention his name."

"I haven't mentioned him," Aunt Mae snapped, "because I listened to that fool doctor. He said I mustn't even mention anything, or anyone, that would upset you emotionally. A lot of doctors know about what's good for a woman. Carl hasn't been here," she continued, "because he could not get here. He's' in the hospital. The poor man has been working himself to death. He was due for a collapse, from work alone. You put on the finishing touches Christmas eve when you kicked him out."

"I didn't," Jane cried. "I never—" She stared. "Did you say hospital?"

"Well, that's the way he took what you said. And it broke him up completely. Christmas day he went to pieces—started for the railroad station, and some friend found him wandering around the streets in the snow, looking dazed. Thought at first he was drunk. He wasn't. He was simply very, very ill. For a few hours he didn't know where he was or who he was."

"Oh," Jane said. "Oh, how awful!"

"Yes, isn't it? And you're partly to blame, Jane. I hope you realize that. If the man weren't so deeply in love—"

"But he—he didn't act as if—"

"Oh, never mind how he acted or what he said. Carl's the deep kind. He doesn't go emoting all over the place, but he feels plenty. Well, now I've told you and the doctor will want to skin me alive for it. But I had to get you up out of that bed. Carl needs you, Jane."

OHIO BOY, 18, REPENTS AT EXECUTION

. . . 'I'm Sorry, My God'

COLUMBUS, O.—(AP)—An 18-year-old boy from Youngstown died in the electric chair at Ohio penitentiary Friday night with the repentant sobs of "I'm sorry, my God. Oh Father, have mercy" on his lips.

Donald Frohner, who admitted killing 52-year-old William C. Spieth, an Ashtabula, O., machinery salesman, in a fruitless kidnap plot against a schoolmate, was pronounced dead at 8:09 p. m.

Hysterically young Frohner sobbed.

"God, have mercy, God, have mercy," he pleaded. "I'm sorry, my God, I'm sorry, I'm sorry, I'm sorry x x x."

High voltage electricity stopped his muffled voice.

First Steps Steady.

Frohner's first step inside the death chamber was steady. Then the youth's eyes closed and on the second step a whimper broke from his lips. His left knee buckled and he slumped against the two guards.

Steadily the youth's hysteria mounted. He swayed his head from side to side and his sobs grew louder and more intense.

Frohner held himself in hand long enough to get through the Lord's Prayer and a portion of a Catholic ritual before hysteria gripped him so deeply his words mounted into high-pitched reiteration.

On the last day of his life Frohner expressed his sorrow over killing Spieth. It was Frohner who blackjacked and shot Spieth to death from the rear seat of the man's automobile.

Frohner and Arthur Chapman, 17, planned to kidnap Richard Masters of Youngstown, a schoolmate, and hold him for $5,000 ransom. They had hitchhiked a ride with Spieth.

The two youths were captured a few hours afterward.

Newly Formed Dog Club Plans Trials

The Husker Bird Dog club Friday night adopted a constitution and by-laws during a meeting at the Y.M.C.A. The club with the training of bird dogs as one of its objectives, is newly organized.

Starting action to secure a dog field trial area for the fall training period, President Jack Beck appointed John Carter chairman of a ground committee. Aiding him will be Howard Hall, Joe Martin, John Schwindt, John Grasmick and Matt O'Neal.

Martin was appointed chairman of the membership committee, with the entire club as committee members.

The field trials' date will be set following the state game commission meeting August 28, when hunting season dates will be set, Beck said. State game and forestry commission members have been invited to the next meeting, he added.

MISSION PROGRAM PRESENTED BY ADVENTISTS—Seventh-day Adventists attending the conference at Union College presented a "mission" school program Saturday morning. The program, which was an appeal for more funds for the church's world mission activities, was given by (left to right) Phillip Ngui, Singapore; Ignacio Carrillo, Cartagena, Colombia; Georette Kafrouni, Cairo, Egypt; Sadie Benjamin, Port-of-Spain, Trinidad, British West Indies; Ayako Oshiro, Hawaii, and Bento Rivera, Sancturce, Puerto Rico. The cast outlined where the mission dollar is spent. (Staff Photo.)

Gloria De Haven, John Payne To Be Divorced

HOLLYWOOD — (AP) — Another Hollywood marriage—that of film player Gloria De Haven and actor John Payne—was on the rocks Saturday.

Payne said through his studio that "we're just two people in a continual clash," and disclosed they each had retained an attorney to arrange divorce proceedings. They were married in December, 1944, and have two children.

August
Ceremony

Lighted candles in pedestal candelabra, tied with bows of white chiffon, and arrangements of gladioli and huckleberry foliage, appointed the chancel of Elm Park Methodist church for the marriage of Miss Norma Jean Fischer, daughter of Mr. and Mrs. B. H. Fischer, to Stanley Sohl, son of Mr. and Mrs. A. W. Sohl, on Thursday, August 19. The lines of the 8 o'clock evening service were read by Rev. Carl Bader, assisted by the Rev. Ez Sohl, in the presence of one hundred fifty guests.

Preceding the ceremony, Miss Carleen Henkelmann sang "Because," "I Love Thee," and Malott's "The Lord's Prayer," accompanied by Miss Hilda Chowins, organist, who also played the wedding music. Lighting the tapers were Miss Priscilla Horham and Miss Marijo Housel, frocked alike in blue tissue faille.

The maid of honor was Miss Donna Mae Scott, who wore a period gown of pastel yellow faille fashioned with heart-shaped neckline, bracelet sleeves, and flared skirt beneath a brief peplum. Wearing identical gowns of faille were the bridesmaids, Miss Carol Deines, in blue, and Miss Doris Bonebright, in rose. Halo headdresses and short mitts of illusion in shades to match their frocks completed the attendants' costumes, and they carried bouquets of gladioli and pink roses. Frocked in a floor length gown of yellow dotted Swiss was the flower girl, Miss Janie Tenhulzen of Denison, Iowa.

Given in marriage by her father, the bride wore a gown of white satin. A high rounded yoke of lace, outlined with seed pearls in a floral pattern, and long fitted sleeves, accented the torso bodice of satin, and the full skirt tapered into a short train. Her double tiered veil of illusion was held by a headdress trimmed with seed pearls, and she carried a white Bible ornamented with an orchid bouquet.

Wayne Sohl served his brother as best man, and the ushers were Ronald Fischer, brother of the bride, Lowell Sohl, brother of the bridegroom, Jerry McCracken, Charles Wilson, Paul Giebelhaus and Norbert Sukovoty.

A reception was held in the parlors of the church, where the bridal table was centered with a four tiered wedding cake decorated with white and pink daisies and greenery. Assisting at the reception were Mrs. Henry Tenhulzen of Denison, Iowa, Miss Leila Baach of Hampton, Mrs. Rens L. Slote, Miss Carleen Henkelmann, Mrs. A. P. Rasmussen, Mrs. Don Nelson, Mrs. Hugo Ziegler, Mrs. Homer Damke, Mrs. A. F. Paul, Miss Jeannie Beck, Miss Helen Lamb, Miss Lois Wendelin, Miss Marilyn Abbott, Miss Mary Borgaard, and Miss Carmen Shepard.

Following a short wedding trip, Mr. Sohl and his bride will reside at 4015 Everett, Lincoln, where the bridegroom is attending the University of Nebraska. The bride is a former student at the university.

VETERANS DAY SCHEDULED AT MACY POWWOW

MACY, Neb.—(AP)—This was to be veterans day at the Omaha Indians 80th annual powwow here.

A large part of the Indian braves attending served in the armed forces during World war II. Several present army members were among those here for the powwow.

The warriors who did their fighting in World war II wear the traditional paint of the warriors who fought in the Indian battles of their ancestors.

Some of their ancestors' customs are also preserved. For instance, when a dancer loses a feather from his costume during a dance, only a warrior can retrieve it for him.

Paint Battle Scars.

Battle scars received in fighting with the U.S. army forces are painted in the same way as those received by warriors of another day from spears and arrows.

Two Indian soldiers have been taking down the flag in the arena each day as the encamped Indians sing their flag song.

Friday both braves and princesses followed in single file a warrior who led them in the "stomp dance." Later some of the Indians joined in the "give away" dance and presented other Indians gifts, mostly money, for the privilege of dancing.

Mr. Kaufman and his bride will reside in Lincoln.

Pauline Holm, Bride
Of Harold Scheve

Gladioli, in pastel tones, appointed the altar and were arranged in pedestal baskets on either side of the chancel steps for the marriage of Miss Pauline Elvira Holm, daughter of Mr. and Mrs. E. E. Holm, to Harold Scheve of Beatrice, son of Mr. and Mrs. Joseph Scheve, also of Beatrice, which took place at a 4 o'clock ceremony the afternoon of Monday, August 9, at the Trinity Evangelical Lutheran church. The lines were read by the Rev. F. Worthman, minister of Trinity Evangelical, in the presence of one hundred guests, and the wedding music was played by Lambert Burmeister, organist. Mr. Burmeister also accompanied Bill Jahde who sang," The Lord's Prayer," and "Bless This House."

Mrs. Donald Scott was her sister's matron of honor, and her frock of dusty rose taffeta was fashioned with a fitted bodice, completed with a peplum, above a full skirt. Her colonial nosegay, and her coronet were of blue flowers. Miss Mary Anne Moore and Miss LaMoyne Obermeyer of Martell, lighted the candles, and the flower girl, wearing a long-skirted frock of pale green dotted swiss, was Mary Helen Price. She carried a nosegay of yellow flowers, with matching bandeau.

Frank Holm, brother of the bride, served Mr. Scheve as best man, and the guests were seated by Robert Schultz.

Given in marriage by her father, the bride appeared in frosty white satin brocade. The off-shoulder line was bordered with a deep bertha, and the torso-length bodice was closed in front with self-covered buttons. The buttons were repeated at the wrist-points of the long, molded sleeves. The folds of the full skirts widened into a long train, and her illusion veil was held to the head with a coronet of seed pearls. She carried an arm bouquet of white daisies.

Assisting at the reception, held in the church parlors following the ceremony, were Mrs. Milor Price, Mrs. Clarence Holm, Miss Phyllis Heiliger, Miss Mary Anne Moore and Miss LaMoyne Obermeyer. The refreshment table was centered with a tiered wedding cake.

For the honeymoon trip to Estes Park, Mrs. Scheve wore a navy blue gabardine suit, with white accessories. Upon their return the couple will reside in Beatrice.

Both Mr. and Mrs. Scheve are graduates of the University of Nebraska where the bridegroom is a member of Beta Sigma Psi.

A's Split Two; Tied With Des Moines

LOSE 1ST, 3-2, TO DENVER; WELLS WINS 13-3 NIGHTCAP BEFORE 12,373

DENVER—(AP)—The Lincoln Athletics hung on to first place in the Western league Friday night by splitting a twin bill with the Denver Bears before a league record 12,373 fans.

The Athletics came back to take the nightcap, 13-3, after the Bears won the opener, 3-2. The split gave Lincoln a tie with Des Moines, 12-3 winners over Omaha.

Lincoln drove starter Clint Hufford to the showers with a four-run barrage in the first frame of the second game. Singles by Tom Kirk, Walt Novick and Joe Aliperto and Ray Zimmerman's double featured the onslaught.

Fred Wells

The Athletics applied the clincher in the eighth when Bob Wellman homered with Nelson Fox and Aliperto aboard.

Fred Wells bore down in the clutches and kept the Bears' eight hits well scattered for his 15th victory.

Bob Wellman of the A's was thrown out of the park in the second inning of the opener when he and other players protested the Denver run which tied the score 1-all. Cal Felix was safe on a fielder's choice and stole second. Walt Novick's throw to second was wild and Felix came home, just ahead of the throw which Lincoln players thought put him out. Dal Bechtol's slow roller with the bases full sent Bud Beringhele in with another.

PARTEE TRIPLES.

The Bears' winning run came in the sixth when Ray Henningsen doubled and came in on George Genovese's one-bagger.

Jimmy DeShong's Lincoln crew will spend Saturday night on the road, arriving in Lincoln for a single game with Pueblo Sunday night.

The A's scored in the third when Ray Partee tripled and came in on Joe Aliperto's long fly. Lincoln threatened in the seventh. Ed Boehm doubled and scored on Nelson Fox's single. Bert Barkelew relieved Bechtol and gave up a single to Partee before Aliperto hit into a double play.

The Des Moines Bruins climaxed a slow climb from the Western League cellar today by moving into a first place tie with Lincoln.

If past performances are any indication, the Bruins could take sole possession of the lead Saturday night. They trounced Omaha, 12-3 Friday night for their fourth win in a row and their seventh out of the last nine with the Cards. They meet again in the only game scheduled.

Sioux City, staging the same eighth-inning rally which had won them their last three games, defeating Pueblo, 11-8.

The other four clubs are on the road today for these series starting Sunday: Denver at Des Moines, Pueblo at Lincoln, and Sioux City at Omaha.

Prep Grid Drills Open

. . . 100 CANDIDATES EXPECTED

By ALAN THOMPSON.
(Star Sports Staff Member).

Monday the Nebraska High School Activities association lifts the curtain on the 1948 prep football season.

In Lincoln over 100 young grid candidates will don the musty practice uniforms to begin drills at Lincoln high, Northeast, and College View.

Bill Pfeiff, Bun Galloway, and Tom Gillaspie have their work cut out for them, to mold and polish this raw material.

With a few exceptions, raw describes the expected turnout this year. Graduation has cut deeply into each squad.

Out of the 1947 Red and Black lineup just one regular, End Jerry Yowell, is returning accompanied by three lettermen, Back Dick Flynn and Guards Dean Hoy and Don Lorenz.

Coach Pfeiff is encouraged by the presence of two promising transfers among his 43 fleglings. From Glen Falls, New York comes Dean Buckingham, center and tackle prospect.

Sophomore Bill Hanscom moves in from Scottsbluff as his father Ike Hanscom takes over new Cornhusker frosh coaching duties.

NIEDERHAUS RETURNS.

The outlook for Northeast is brightened by only one regular, also. He is John Niederhaus, a fullback who saw plenty of action in the 1945 season before going into the service.

In addition Bun Galloway will have four lettermen among the 59 rockets expected to report. They are End Hoyt Hultberg, Tackle Ed Doll, Guard Keith Smith, and Back Gayle Peck.

There are more familiar names on the College View roster with four regulars and two letter winners preparing for drills. Larry Dutton, Earl Elliott, and Verland Rumbaugh were all members of Coach Gillaspie's 1947 backfield.

The line prospects includes regular End Don Svoboda and letter winners Bud Wilcox, guard and Clair Sutter, tackle.

The call for candidates has been extended at each school. Lincoln high gridders have through Wednesday to report. At Northeast they will have a week after Monday. College View boys should report as soon as possible.

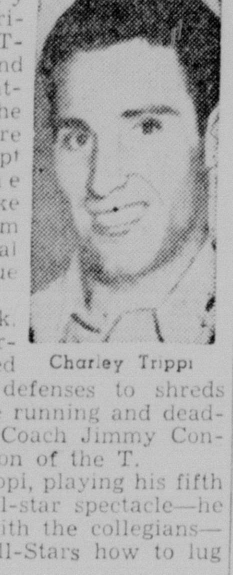
Cards Bomb Collegian Stars, 28-0

. . . Trippi Leads

BY JERRY LISKA

CHICAGO—(AP)—The Chicago Cardinals, steam-rollering to the most decisive victory in the 15-year series, handed Frank Leahy's college All-Star's a stinging football lesson, 28-0, before 101,220 at Soldiers Field Friday night.



Charley Trippi

The All-Stars, who thought they had so much talent they could experiment with a T-formation and single wing attack against the Cardinals, were nearly swept out of the mammoth lake front stadium by the National Football league champions.

The slick, bruising Cardinals ripped the All-Star defenses to shreds with explosive running and deadly passing of Coach Jimmy Conzelman's version of the T.

Charley Trippi, playing his fifth time in the all-star spectacle—he played four with the collegians—showed the All-Stars how to lug the ball.

Trippi, who scored the final Cardinal touchdown on a 13-yard pass from Quarterback Ray Mallouf, carried the ball 14 times for 80 yards.

The best collegiate ball-carrying performance was by Notre Dame's Bill Gompers, who went 36 yards in four tries.

Notre Dame's Johnny Lujack had a hand in the only All-Star threat. Lujack, off a lateral from Perry Moss, fired a 44-yard pass to Dan Edwards of Georgia in the third period as the collegians marched 84 yards to the Cardinal one. Floyd Simmons of Notre Dame was smothered by Cardinal tacklers on a fourth down to end this drive.

The single wing attack probably would have fared much better had Michigan's Bump Elliott, injured a week ago, been around to supply his offensive and defensive talents.

But, as it was, neither All-Star offensive nor defensive could get up a real head of steam. Chuck Conerly, triple threat star from Mississippi, made two yards in two ball-carrying attempts.

The Cardinals had a 200 to 102 yard edge by rushing and shaded the collegians in passing 133 to 132. Statistics reflected but little the sound trimming handed out by the Cardinals.

The pros actually settled the issue in the first half when they marched 80 and 82 yards for a 14-0 half time margin. Elmer Angsman ripped two yards for the first touchdown after he, Trippi and Pat Harder had methodically punched down the field.

In the second period, the Cards turned to the air. Pitchin' Paul Christman fired 17 yards to Angsman, 15 to Bill Dewell and 11 to Mal Kutner, putting the ball on the All-Star 14. Then Vic Schwall, who carried the ball only twice all evening, exploded 14 yards for a touchdown through a flat-footed All-Star defense.

Center Vic Banonis intercepted a pass from Moss on the All-Star 31 and romped unmolested across the goal line. In the closing minutes, Bill Blackburn recovered Bobby Layne's fumble on the All-Star 12. Four plays later, Mallouf shot an in-the-corner pass to Trippi on the five and scampered over to score.

Harder booted all four extra points for the Cards.

Fred Haas Sets Mark

. . . Denver Open

By BEN FUNK.

DENVER—(AP) — A 36-hole course record of 132 by Freddie Haas, jr., of New Orleans stood up as a formidable target Saturday as the nation's leading golfers began firing in the third round of the $12,500 Denver Open.

Haas took a long stride toward his first major tournament victory in two years as a professional when he shot a seven-under-par 65 Friday over the Wellshire Municipal course.

Added to his 67 of the opening day, this gave him a spectacular 132, two strokes better than the 36-hole record for Wellshire competition established in the 1946 National Public Links tournament by Jimmy Clark of Englewood, Calif.

His performance pushed Haas to the front as the first day leader, Dr. Cary Middlecoff of Memphis, Tenn., skidded to fifth place.

Middlecoff had a 65 Thursday, but he slumped Friday to a por 72 for a total of 137.

Ben Hogan of Hershey, Pa., and John Bulla of Phoenix, Ariz., who shot 66s the first day, continued to match each other stroke-for-stroke as they went around in 67 Friday to remain in a deadlock for the runnerup post at 133.

Jimmy Demaret of Ojai, Calif., who had a 67 for a two-day total of 135, was in fourth place.

Paige Worth Price

Veteran Negro Hurls 1-0 Blank Of Chisox; Tribe Ties Records

BY JOE REICHLER.
(Associated Press Sports Writer).

NO MATTER what President Bill Veeck gave Satchel Paige, the great Negro hurler, to sign with the Cleveland Indians earlier this season, he would be a bargain at twice the amount.

The lanky 44-year-old right-hander already has earned his keep, aside from the won and lost column. Friday night's crowd of 78,382 was the largest ever to see a night game in major league history.

Paige shut out the Chicago White Sox, 1-0, for his second straight scoreless performance and the American league-leading Indians' fourth straight whitewashing job.

TIE RECORD.

This tied a league record first set by the Cleveland club of 1903 and equalled by the New York Yankees in 1932. The major league mark is six consecutive scoreless games, set by the 1903 Pittsburgh Pirates.

The string of shutout innings pitched by Indian hurlers has reached 39, two short of the American league mark of 41 held by the 1903 Tribe.

The Boston Red Sox climbed past the Philadelphia Athletics into second place by sweeping a doubleheader from the Washington Senators, 5-4 and 10-4. The Athletics were beaten by the Yankees, 6-2, to drop into third place, three and a half games off the pace, and only one length in front of the Yankees.

Paige permitted only three safeties, walked one and fanned five.

The Indians scored their only run off southpaw Bill Wight in the fourth inning, on singles by Manager Lou Boudreau, Ken Keltner and Larry Doby.

A crowd of 15,865 saw the Red Sox overcome a 4-1 deficit with three runs in the ninth and another in the 10th to win the opener from Washington, 5-4. Vern Stephens clouted a three-run homer off Rae Scarborough with two out in the ninth to send the game into extra innings. Stan Spence, first Boston player to bat in the last of the 10th, blasted another homer off Scarborough to decide the game.

Home runs by Ted Williams, Bobby Doerr and Dom DiMaggio, the latter with the bases loaded, helped Jack Kramer register his 14th pitching triumph for the Red Sox in the second game. He has lost four.

LOPAT GETS 12TH.

Southpaw Ed Lopat pitched a six-hitter as the Yankees took the series opener from the Athletics in Philadelphia. It was his 12th victory.

Bob Dillinger hit a home run in the 10th inning to enable the St. Louis Browns to defeat the Tigers, 5-4, in Detroit.

The St. Louis Cardinals moved within half a game of the second-place Brooklyn Dodgers and a game and a half of the National league leading Boston Braves when they defeated the Pittsburgh Pirates, 7-4.

Andy Pafko cracked his 19th home run of the season and added a double and single to lead the Chicago Cubs to a 5-2 victory over the Cincinnati Reds. The victory cut the Reds' seventh place margin over the Cubs to one and a half games.

Rain caused postponement of the scheduled meetings between the Braves and Dodgers and the Philadelphia Phillies and New York Giants.

Nebraskan Don Lee Wins Hollywood Bout

HOLLYWOOD—(AP) — Don Lee, an aggressive puncher from Edison, Neb., whacked out a unanimous 10-round decision Friday night over Bob Castro, Los Angeles, at the Hollywood American Legion Stadium.

A throng of more than 5,000 swore that Don didn't take a backward step as he clearly outclassed the Angeleno. Castro started out like a champion, bothering the jut-jawed Lee with straight left jabs and right crosses.

The Nebraskan weighed in at 157, a pound less than Castro.

Oakland Nine Ousts Defending Champions

SIOUX CITY, Ia.—(AP)—Oakland, Neb., will meet Spencer, Ia., here Saturday night in the semi-finals of the second annual Journal-Tribune semi-pro baseball tourney.

Friday night the Oakland boys handed Storm Lake, Ia., the defending champion, its walking papers winning a 2-1 second-round contest.

Ed Wagner, former Sioux City Soos pitcher, playing in the outfield for Oakland, banged a double down the left field foul line in the fourth inning to drive in one tally. Wagner scored the second one himself on Seb Distefano's single.

Satch Hurls 2nd Shutout

. . . Before 78,382

CLEVELAND — (AP) — Baseball writers crowded around Satchel Paige in the Cleveland Indians' dressing room Friday night after he blanked the Chicago White Sox for his second straight shutout performance.

"Looks like you're the rookie of the year, Satch," one of the writers quipped.

A broad grin split the features of the ageless Alabaman.

"You may be right, man," he retorted, "but 22 years is a long time to be a rookie."

Whether or not Satchel is accorded the honor reserved for prize first year men in the major leagues, he proved without question Friday night that he is by far the greatest gate attraction in baseball today.

The lanky mound artist has attracted 201,829 cash customers in his three American league starts. Friday night a record major league night game crowd of 78,382, stood, stooped, crouched and literally hung from the railings to watch Paige subdue the White Sox, 1 to 0, allowing just two singles and a double.

Not a Chicagoan got to third base and only two reached second.

Satch had attracted 72,434 customers in his first start against Washington here, and an estimated 10,000 were turned away in Chicago last week where 51,013 jammed Comiskey Park to watch the mound ace blank the Sox with five singles.

"I should be working on percentage," mused Satchel. "It sure wasn't like this in Kansas City."

All Guardsmen Due Back From Camp Sunday

. . . 'Men Did Good Job

All Nebraskans attending the National Guard camp at Camp Funston, Kas., will be home by midnight Sunday, Brig. Gen. Guy N. Henninger, Nebraska adjutant general, said Saturday.

Gen. Henninger, who returned to Lincoln Friday night, said the training camp this year was "one of the best I have attended in my 25 years in the National Guard."

"The guardsmen went at their training in a serious manner, and every one did a good job," Gen. Henninger said.

Gen. Henninger returned to attend an inspection of the National Guard air wing at the Lincoln municipal airport Saturday afternoon. Training camp for the air unit will end Aug. 28.

Commenting on selective service registration, scheduled to begin Aug. 30, Gen. Henninger said, "We are hoping that veteran and service auxiliaries will volunteer to help with registration in Lancaster and Douglas counties, so we can get the men registered smoothly."

National Ag Award Made To Harvey Ehlers

(Special to The Star)

BENNET, Neb.—More than 100 persons attended a community breakfast here Saturday in honor of Harvey W. Ehlers, who has been awarded the national W. G. Skelly award for superior achievement in agriculture.

The Skelly award, consisting of a $100 savings bond, scroll and gold lapel pin, was presented to Ehlers by K. D. Moon, Omaha, personal representative of W. G. Skelly, president of the Skelly Oil company. Ehlers was chosen for the award by a committee made up of 10 midwestern farm leaders.

The award was made on the basis of agricultural and civic leadership.

Soil Conservation Pioneer.

All five of the children of Mr. and Mrs. Ehlers—four sons and a daughter—have attended the University of Nebraska.

According to the award committee, "Many years before the soil conservation service came to Lancaster county the Ehlers were well on their way to sound soil-saving practices, and had devoloped some of the first terraces in the area."

In addition to his farming activities, Ehlers is secretary of the Bennet Co-operative Elevator company, has been a member of the school board for 40 years, is a church leader and a member of the Nebraska Co-operative and Educational union.

Rev. Kenneth Locke, minister of the Bennet Methodist church, was master of ceremonies. Fred Leiber, Bennet farmer who was awarded the Skelly award five years ago, also attended the breakfast.

3 Juveniles Held For Truck Theft, Break-In At Park

Lincoln police Saturday were holding for juvenile authorities three youths who admitted stealing a truck from Union College Thursday night and breaking into two concession stands at Sherman field baseball park.

The three, 13, 14, and 16, were arrested early Friday morning when a Lincoln policeman stopped them for a routine investigation. They were driving the panel truck stolen from Union College, he reported.

One of the boys is on four-year parole from Federal court on a car theft case. Another of the youths has been picked up before on minor thefts and break-ins, police said.

DR. AND MRS. CHARLES ARNOLD, 2480 Lake street, are shown at their home in Lincoln Friday after returning from China where Dr. Arnold served as an honorary professor of surgery at West China university in Chengtu, Szechwan province. The Lincoln physician reported that "the missionaries are continuing to build despite the internal dissension and civil war."

CHINESE EAGER FOR KNOWLEDGE, DR. ARNOLD REPORTS ON RETURN

. . . Spends 2 Years At Oriental University

"The long-range educational view of the missionaries and the great desire of the Chinese students for knowledge impressed me most during my two-year stay in China," Dr. Charles Arnold said on his return to Lincoln.

Dr. and Mrs. Arnold returned Thursday after spending almost two years in China. Dr. Arnold served as an honorary professor of surgery at West China Union university in Chengty, Szechwan province, 1,000 miles inland from Shanghai.

"The Chinese students are very diligent and hard-working in their efforts to secure an education," he said. "Even the coolies, particularly those near the university, try to give their children at least a grammar-school education."

Feared Red Attack.

"Many of the Chinese customs are deplorable," Dr. Aronld declared. "They continually hinder import and export programs, and attempt to prohibit foreigners from operating many businesses that would further the cause of the Chinese."

The Chinese people in Chengty province were fearful of the advancing communists from the north early this spring, he declared, but for the present at least, the communists seemed to be stopped. Their closest approach to Chengty was 200 miles. The province of Szechwan is a rich, agricultural area and the people are well-fed.

Farther north, Dr. Arnold said, the communists have confiscated all property and farm products of the inhabitants, leaving a starving population in their wake.

Inflation is spiraling continually upward, Dr. Arnold said. One U. S. dollar is now equal to 11 million Chinese dollars. As of the first of June the ratio was one U. S. dollar to one and a half million Chinese dollars.

Enrollment Of 2,000.

Dr. Arnold became interested in China during his service in the army medical corps in England, and shortly after his release from the army, he and Mrs. Arnold left for Shanghai.

"It took us nearly seven weeks to make the 2,000 boat trip from Shanghai to Chengtu," Dr. Arnold explained. "The Chinese will not allow foreigners to operate river boats for commercial purposes, and their own facilities are inadequate. It is a good example of the Chinese preventing interference from the outside nations."

Dr. Arnold served without salary at the university. He said the total enrollment is 2,000, which includes 600 medical students. More than 7,000 made application for entrance into the medical school the past year, he added.

Graduates of the university are given a degree from the state of New York. The school is a first-class one and many of the graduates come to the United States to do graduate work, Dr. Arnold said. Most of them return to China to practice, he added.

Mrs. Arnold taught English at their home on the university campus. It is necessary for all medical students to learn English.

Dr. Arnold said he might go back some time in the future for a brief period to give a series of lectures. Other than that, his future plans are indefinite. Dr. and Mrs. Arnold are at home at their residence at 2480 Lake.

Harry E. Joyce, 67, Former Burlington Inspector, Is Dead

Mr. Joyce, a Thirty-second degree Mason, had lived in Lincoln for the past 25 years until becoming ill two years ago. He was active in the United Spanish War Veterans chapter here.

Reared in Lincoln, Mr. Joyce worked for the Burlington at Sutton, Hastings and Aurora. He was a member of the A. F. & A. M. in Hastings and here. His wife, Rose, died in 1945.

He is survived by a daughter, Mrs. Maurice Gill, Omaha; a son, William Arthur, Los Angeles; a sister, Mrs George F. Fisher, Lincoln; and three grandchildren. Funeral and burial will be in Lincoln.

LOMAKIN

(Continued from Page One)

the American stand in the refugee teacher dispute.

Speculation in official quarters also takes into consideration two other possible Russian moves:

U. S. Asks For Letters.

1. The Soviets may take some retaliatory measure—as they usually do in such instances—by accusing an American official in the Soviet Union of improper conduct and ordering him out of that country.

2. They may reject the state department's request for two letters Mrs. Oksana S. Kasenkina wrote before her spectacular leap from the Soviet consulate in New York. The letters reportedly explain her decision to remain in this country and possibly may throw further light on her treatment at Lomakin's hands.

President Truman is expected to sign early next week a formal revocation of Lomakin's "exequatur"—the credentials which the president originally issued permitting him to serve as consul in this country. When the president acts, Lomakin will have no further authority here. The delay in action was suggested by the state department to give him time to wind up his affairs.

The department's request for photostatic copies of the two letters and the charges against the consul were made in a note which the state department sent to the Russian embassy Thursday night and published Friday.

Says Held Prisoner.

The same note also rejected without qualification Soviet charges that American officials had connived in the alleged kidnaping of Mrs. Kasenkina and two other teachers Mr. and Mrs. Mikhail I. Samarin.

Lomakin had claimed he "rescued" Mrs. Kasenkina from a White Russian camp near New York where anti-communist "kidnapers" had taken her shortly before she was to have left for Russia.

But the 52-year-old Russian teacher told New York police after her leap that instead of being "rescued" by Lomakin she had been held a prisoner in the Soviet consulate.

Samarin who had been scheduled to return home on the same boat with Mrs. Kasenkina, went to American authorities instead to ask for protection against his Soviet superiors.

The state department note pointed out that the Russian teachers had freely chosen to remain in the United States rather than return to their own land.

WEATHER BUREAU SUMMARY—A shower condition developed along the middle Atlantic coast Friday causing light to heavy rainfall, the largest amount reported being 4.69 inches at Atlantic City, N. J. Very little rainfall accompanied the eastward movement of the cold front which advanced from the plains states to the upper Mississippi valley, except for showers in northern Minnesota, upper Michigan, and northern Wisconsin, with mostly light amounts. A few light showers occurred in extreme southeastern South Dakota and extreme northwestern Iowa. Light showers occurred also in central Arizona, extreme western New Mexico, and along the Florida coast from the southern tip to Pensacola. The protracted heat wave continued in Texas, with highest temperatures around 105 in the north-central portion of that State. The highest in the Missouri valley ranged from the middle and upper 70s in the north portion to the middle 90s in the lower portion. Highest temperatures were in the 70s and 80s in the northern Rocky mountain states and the north Atlantic states.

METEORITE

(Continued from Page One)

value because of their rarity. The specimen is grayish white in color. Jolly balance tests showed it to have a specific gravity averaging about 3.5 and a hardness of about 5.5 on fresh fracture.

Dr. Schramm was accompanied to the crater site by Dr. C. Bertrand Schultz, director of the U. of N. museum. Dr. Schramm said many sight-seers have visited the crater. He added that had the meteorite fallen one mile farther south, it would have been in Kansas, and the University of Nebraska would have been deprived of its prized possession.

B. F. Butler, Cambridge, Neb., attorney for Miss Helen Whitney, who owns the farm on which the meteorite fell, announced that the fragment would go to the two schools jointly.

Miss Whitney, member of the Stanford university faculty at Palo Alto, Calif., declared, "I was very interested when my tenants phoned me a couple of days ago to tell me about the discovery. But I didn't think much about it until I received later calls indicating that several scientists were interested in obtaining the fragment. I couldn't go back there at this time, so I merely turned the matter over to my attorney."

Breaking Physical Law Causes Much Illness---Dr. Smith

"A large share of the sickness and suffering among us is the result of transgression of the physical law, and is brought upon individuals by their own wrong habits," Dr. Russell T. Smith, M.D., told the Seventh-day Adventist meeting Friday night.

Seventh-day Adventists, Dr. Smith said, believe that "pure air, sunlight, rest, exercise, proper diet, abstemiousness, use of water, and trust in divine power" are the best remedies, pointing out that the human body is created with a wide margin of reserve and can withstand much abuse.

Speaking of mental illness, Dr. Smith, Nebraska conference medical secretary and physician at Union college, told the audience that the mind should control the body and its needs rather than permit the sensual desires to control the mind.

"Climaxing Events of the World's History" was the topic of Elder R. M. Mote, principal of Platte Valley academy at Shelton.

Evangelist-astronomer Phillip L. Knox discussed "Sun, Moon and Stars Foretell Coming Momentous World Events."

Johnson Quits As Scottsbluff Dean

SCOTTSBLUFF, Neb.—(AP)—Wayne W. Johnson has been named chief of scientific personnel section of research and development division of headquarters, U. S. air force.

Johnson, in disclosing his appointment, said he will leave his job as dean of Scottsbluff Junior college sometime in September to take over the new post.

Johnson has held the Scottsbluff post since 1938 except for three years spent as personnel director of the atomic energy laboratory at the University of Chicago.

In his new job, he will act as advisor to the air force in formulation of policies and preparation of plans for mobilization in use of scientific manpower both during peace time and in the event of a national emergency.

In leaving Nebraska, he will also vacate the presidency of the Junior College Athletic association.

Rogers Tract Rezoning Before Council Monday

... PUBLIC MARKET PROPOSED

A rezoning of the entire O street frontage of Rogers tract to permit the establishment of a public market will be up before the city council Monday in the form of an ordinance to be introduced by Rees Wilkinson.

Wilkinson has requested the legal department to draw up the ordinance which would zone the tract for business to a depth of 172 feet. He proposes that the market be operated by the city.

He has previously suggested that the O street entrance to Antelope park be used for a public market. However action was delayed by the council which suggested Wilkinson study the matter more closely.

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
